Kahn Elevates Senior Associates to Management Positions

Detroit, Michigan, August 12, 2008 – The Albert Kahn Family of Companies (Kahn), a leading provider of architecture, engineering, planning, design and management services, is pleased to announce that the following senior associates have been elevated to management positions.

Rick Dye, PE, Director of Project Management

As Director of Project Management, Dye oversees all project management services, including quality assurance, project assignments, staffing and training. With over 11 years of experience at Kahn, he has managed many complex projects, including oversight services for a refrigeration/freezer/washer/dryer manufacturing facility for Electrolux Home Products de Mexico in Juarez, Chihuahua, Mexico; and a healing garden for the Children's Hospital of Michigan in Detroit, Michigan. Dye attended the University of Minnesota, where he earned a bachelor of civil engineering (1989) and is a licensed professional engineer in Michigan. Dye currently resides in Canton, Michigan with his wife Anne.

Theresa Harris, AIA, Manager of Health Care Planning

As Manager of Health Care Planning, Harris coordinates in the planning, design and development of numerous health care projects for the firm. She is currently providing planning services for an orthopedic and sports medicine and a catheterization laboratory addition for BayCare Aurora, LLC in Green Bay, WI; and numerous other projects for Aurora Health Care in Wisconsin. She earned a master of architecture (1996) and a bachelor of science in architecture (1994) from The University of Michigan and is a licensed architect in Michigan. Harris resides in Beverly Hills, Michigan with her husband Charles.

Amy Russeau, Director of Marketing/Public Relations

As Director of Marketing/Public Relations, Russeau is responsible for the planning and execution of all marketing and communications initiatives for Kahn's domestic subsidiaries and regional offices. As a member of the firm's core sales team, she collaborates with other members of the firm's leadership to identify business development opportunities and formulates strategies for growth in the firm's client base and diversifying its service offerings. Currently, Russeau is serving as project manager for the firm's brand revitalization program. She earned a master of business administration (2001) from Wayne State University and a bachelor of science in business administration (1998) from the University of Detroit Mercy. She resides in Trenton, Michigan with her husband Keith.
